## REPORT OF THE BOARD

AS AT 31 MARCH 2020

The Board present their report and audited financial statements for the year ended 31 March 2020.

### Principal activities

The principal activity of Parkhead Housing Association Limited is the development, management and maintenance of housing for people in housing need. The Association fully owns two subsidiaries, Parkhead Development Company Ltd and Parkhead Lettings Company Ltd. Parkhead Development Company provides cleaning and land maintenance services to the Association. Parkhead Lettings Company provides renting and operating of Housing Association real estate under Mid-Market Rent.

Parkhead Housing Association is registered with the Financial Conduct Authority as a Co-operative and Community Benefit Society, The Office of the Scottish Charities Regulator (OSCR) as a charity and The Scottish Housing Regulator as a Registered Social Landlord (RSL).

The table below shows the properties that we own and manage:

	2020	2019
<b>Managed Property Numbers (7 Special needs)</b>		
Tenanted Property (Inc 2 wardens)	1,717	1,652
Shared Ownership Properties	31	35
Factored properties	342	339
Total	<u>2,090</u>	<u>2,026</u>

### Our strategic aims

Parkhead Housing Association's mission statement outlines its commitment to the local community and undertakes its strategic aims. This statement is as follows:

"We aim to be an excellent landlord and factor providing good quality affordable homes within the Parkhead area and its wider community. We promote the involvement of our stakeholders in our decision making so that we can be sure that our services meet their needs. We work with the community and other partners to improve Parkhead as a place in which to live and we seek to play a significant role in the regeneration of the physical, economic and social life of Parkhead".

PHA's core values are:

- 1 Community Centred - we will ensure that the focus of our work meets the needs and aspirations of the Parkhead Community.
- 2 Partnership - we will work with others to improve services and improve the daily lives our residents and other stakeholders.
- 3 Service Excellence - we will provide the best possible level of services to all customers at all times.
- 4 Integrity - we will be open and accountable, respect others and behave in a professional and ethical manner at all times.

### **Review of the Business and future developments**

Recent months have been unlike any other for the Association, the covid-19 pandemic continues to dominate our personal lives, our business decisions and indeed the wider global agenda.

Despite these challenges, I am pleased to report another successful year both in terms of operational performance, service delivery and financial health. This robust financial position only consolidates our already solid financial foundations. This enables us to deliver our mission to provide good-quality affordable homes, to invest in the wider local community and enrich the lives of our tenants.

Over the year the Association has continued its drive to ensure its governance structures and practices are to the very highest of standards, and that its engagement with its customer base is strong and relevant to the needs, not only, of the business, as it goes forward, but also meets the needs of the community.

Our financial base continues to be strong with an increased turnover of £490,963 from £8,511,880 last year. The details in these accounts are testimony to how hard the whole organisation has worked to ensure sound financial controls as well as sound operational and strategic direction.

A key element in Association's success over the years has been its robust approach to business planning. This is year three, of a five-year business plan launched at the 2019 AGM. This plan is reviewed annually to ensure the targets set down in it are indeed met and for any changes that might be required as a result of the wider political environment highlighted at the very start of this section.

As interim Group Chief Executive, I am committed to ensuring we continue to deliver our long-term business strategy. The demand for affordable housing has never been more profound. It is vital that PHA continues to build much-needed affordable new homes, as well as guarantee year on year investment to our existing homes.

The year saw the completion of the Quarrybrae school site and the provision of 60 new family homes for the East End. This site also contains the Association's first venture into the provision of mid-market rent. This year also saw the start of our new development at Helenvale Street. This development will provide much needed homes for social rent to those on our waiting list, transfer list and to those homeless within the City.

The opening of the Parkhead School on Westmuir Street has been a huge effort from the Association and this completely refurbished centre of community activity will continue to expand over the coming year. Unfortunately, with the outbreak of Covid-19 seen a delay in the opening of the café on the ground floor however it is anticipated this will open in due course.

Going forward as a leading housing Association, with strong foundations and robust financial position, coupled with great people, has the ability to achieve growth and fulfil its true business potential.

With our five-year strategy we aim to grow by building more energy efficient homes, creating a truly customer focused culture that puts our tenants at the heart of everything we do. Working in partnership to deliver our social purpose strategy that creates a sustainable and vibrant community for the future.

### **Review of the Business and future developments (Cont'd)**

This means continuing to invest and transform our services. Developing our IT platforms and technical infrastructure. Inspiring our people giving them the opportunity to grow and develop, to influence and be part of the future success of our organisation, building our reputation as being a great place to work.

Further work to restore the old drill hall has commenced and will see the opening of a local pantry operation will be a major feature for our local community. This will be in essence a local Community shop selling provisions of all kinds at considerable reduced rates. This is a key part of the Association's social responsibility role to help keep living costs as low as it can, tackling food poverty and isolation within the Community. Other areas such as the Welfare rights service, the financial, digital and fuel inclusion services are also other important features in this area of the Association's activities over the last year and as it goes forward into the future.

The Association is rightly proud of its support of other local organisations and it will continue to provide support services to these groups in a way that meets their operational needs of these much needed and well-respected organisations. This is part of the Parkhead alliance plans the Association is keen to develop. In essence an umbrella organisation where local independent groups can work in unison, in their own way and in their own areas of expertise in a co-ordinated way to maximise the wider positive impact they make.

Investment in the Association's prime assets over the last year has been to plan, these, asset being the homes its tenants live in and the people charged with running the business, the Association's staff. Detailed planning has been used to ensure these investments levels are maintained and the forward programs will be funded and implemented. The training and development of its staff is as important to the association as its investment in bricks and mortar. This ensures that our tenants will always receive the best possible service delivered by well equipped, compassionate and motivated staff.

The Board has reviewed the results for this year and has reviewed the financial projections for the next five years along with forecasts set out in the Association's 30 year Financial Plan. The projections have been stress tested for variations in interest, inflation and rent income and include proposed development and improvements to current housing stock and the funding requirements for this work.

Further review and stress testing is being carried out in light of the coronavirus pandemic. This includes consideration of the impact on income streams of delays to the completion of new build properties, increases in the number of void properties and increases in the levels of arrears and bad debts.

The Board has considered the extent of operational disruption caused by the pandemic. At the time of signing, development and maintenance programmes are resuming. The Board is satisfied that the disruption will have no lasting impact on future operations.

The Board has concluded that the present arrangements are adequate for the Association to meet its liabilities as they fall due for the foreseeable future. Accordingly, it continues to adopt the Going Concern basis in preparing the financial statements

### Review of the Business and future developments (Cont'd)

#### The Board

The members of the Board during the year to the 31 March 2020 and up to the date of approval of the financial statements were:

Elizabeth Kennedy		Vikki McCall	
John Ferguson MBE	Honorary President	Bill Ford	Co-opted
John Buchanan	Chairperson	Susan McKeown	Vice-Chair
Mandy Morgan		Robert Donnelly	
Thomas Brock	Co-opted	James Reilly	
Izabela Trzcielinska		Adele Edwards	
Paul Murphy		Tim McGraw	
Caroline Kennedy	Casual member	Faith Vursavas	Casual member
		Caitlyn Strain	

#### Executive Officers

James Strang, Chief Executive (Resigned 5 June 2020)

Aileen McGuire, Interim Chief Executive (Appointed 8 June 2020)

Graeme Aitken, Director of Operations

#### Operational Review

##### 1. Corporate Governance

The Board has maintained its record on ensuring it operates at the highest levels of Governance and has taken steps to ensure that the Board is as representative of its shareholder base as it can be. The Board has maintained its training and skills assessment processes.

##### 2. Services to tenants

We compare our performance with other similar sized RSLs and we set demanding internal targets. This year involved the Association completing the ARC as part of the new SHR regulatory system. We will publish our first tenants ARC report in due course. Part of this process includes a survey of our tenants on a range of activities and we consistently record very high levels of satisfaction. These figures are in line with the monthly exit surveys we carry out as part of customer engagement policy.

##### 3. Social Responsibility

The Association has always been more than bricks and mortar. The wider role operation has developed into its Social responsibility agenda and includes actions to help mitigate poverty in all its forms, creating sustainable employment, improving where it can, the health and wellbeing of its tenants both physical and mental to help tackle education inequalities that still to this day blight many of the East End's young people. The physical environment, so important a part of creating a safe and secure community are all key objectives as the Association moves forward.

The Board will continue to investigate social enterprise options to enable the creation of sustainable employment opportunities within our community.

**(Continued)**

### **Review of the Business and future developments (Cont'd)**

#### **4. Other Areas**

The Audit and Risk Committee have settled in well and are operating within the structure of the organisation with good effect. The Risk Register is regularly reviewed and updated as a when any particular risks have been identified. The policies on internal controls outlined in last year's report have the focus of the sub-committee.

#### **Risk Management Policy:**

- The Board has identified the main areas of risk for the Association under the headings of Corporate Objectives (Governance), Economic (including the impact of the pandemic), Political, Reputational, Operational, Technological and Health. The Board have identified specific controls around these controls in order to mitigate the risk to an acceptable level, assurance is gained on the effectiveness of these controls through a combination of internal and external validations, and these are reviewed by the Board.
- The Association holds a full strategic risk register. The key risks identified during the year and their mitigation is as follows:
  - Changes to Welfare Benefit – Operational/Economic/Political
    - The risk is associated with potential higher rent arrears. The Association has reduced Housing Officer patch sizes to refocus on arrears and tenancy sustainability. Also, the creation of a Financial Inclusion Officer role through the Big Lottery funding to provide advice and to work closely and support tenants.
  - Political - changes in housing policy, changes to housing grant funding, BREXIT uncertainty and universal credit.
    - The Association annually reviews and monitors its five and thirty- year budgets. Senior management and Board regularly political horizon scan to ensure they are aware of any potential political changes that affect social policy.
  - Reputational – damage due to bad publicity
    - Robust corporate governance practices that ensure openness and transparency throughout the Association.
    - Ensuring the delivery of the Associations social purpose and core operational objectives that meet the needs and expectations of our tenants.

#### **Related Party Transactions**

Eight (2019: Six) members of the Board were tenants in the year. Their tenancies are on the Association's normal tenancy terms and they cannot use their positions to their advantage.

All transactions between Parkhead Housing Association and its subsidiaries, Parkhead Development Company and Parkhead Letting Company, are carried out on an arms-length basis.

## **REPORT OF THE BOARD**

**AS AT 31 MARCH 2020**

**(Continued)**

### **Review of the Business and future developments (Cont'd)**

#### **Credit Payment Policy**

The Association's policy concerning the payment of its trade creditors complies with the Confederation of British Industry guidelines. The average payment period is thirty days (2019: thirty days).

#### **Maintenance policies**

The Association seeks to maintain its properties to the highest standard. To this end, programmes of cyclical repairs are carried out in the medium term to deal with the gradual and predictable deterioration of building components. It is expected that the cost of all these repairs would be charged to the Income and Expenditure account.

In addition, the Association has a long-term programme of major repairs to cover for works which have become necessary since the original development was completed, including works required by subsequent legislative changes. This includes replacement or repairs to features of the properties, which have come to the end of their economic lives. In line with the SORP 2018, replacements to building components (as identified in note 1) are capitalised in the accounts as they occur. All other repairs are charged to the Income and Expenditure account.

#### **Treasury and Financial Management**

The Association has taken steps to improve its internal auditing facility and the Association has introduced a new audit regime to better reflect the risks which could affect the Association in the future.

The Board on a regular basis consider the financial progress of the Association and take the necessary action to deal with adverse variances should they arise.

#### **People policies and Health & Safety**

The Association fully recognises that its people are its most important asset. It is they who manage the business. PHA is fully committed to staff development, training and to the maintenance of a good working environment. The attainment of the Gold Award Health at Work award and the Bronze award under Investors in People underline this commitment. So too was the attainment of a number of staff with additional qualifications to enable them to enhance their role in the business.

The Association currently complies and will always comply with all relevant employment legislation.

#### **Disabled employees**

Applications for employment by disabled persons are given full and fair consideration for all vacancies in accordance with their particular aptitudes and abilities. In the event of employees becoming disabled, every effort is made to retrain them in order that their employment with the Association may continue. It is the policy of the Association that training, career development and promotion opportunities should be available to all employees.

**(Continued)**

### **Review of the Business and future developments (Cont'd)**

#### **Pension Obligations**

The pension liability included in these financial statements includes the potential effects of the McCloud judgement.

#### **Budgetary and Planning Process**

Each year the Board approves the annual budget and rolling three-year strategic plan. Key risk areas are identified. Performance is monitored and relevant action taken throughout the year through quarterly reporting to the Board of variances from the budget, updated forecasts for the year together with information progress against the business plan.

#### **Rental income**

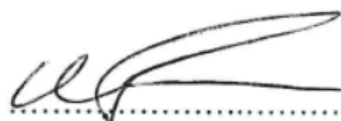

The Association's Rent Policy is a points system based on the size, type and facilities of the accommodation. The policy ensures that the rent structure is easy to administer and covers the wide variations within the Association's properties. The point's value is reviewed annually to ensure that the rents cover the required costs. This policy follows the generally accepted practice/principles of the Housing Movement.

#### **Disclosure of information to the auditors**

As far as the Board members are aware there is no relevant audit information of which the auditors are unaware and the Board members have taken all the steps they ought to have taken to make themselves aware of any relevant audit information and to ensure that the auditors are aware of any such information.

#### **Auditors**

### **STATEMENT OF THE BOARD RESPONSIBILITIES UNDER THE CO-OPERATIVE AND COMMUNITY BENEFIT SOCIETIES ACT 2014 FOR A REGISTERED SOCIAL LANDLORD**

The Co-operative and Community Benefit Societies Act 2014 and registered social housing legislation require The Board to ensure that financial statements are prepared for each financial year, which give a true and fair view of the Association's state of affairs and of the surplus or deficit of the Association for that period. In preparing those financial statements, the Board is required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures being disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is not appropriate to presume that the Association will continue in business.

The Board is responsible for the keeping of proper accounting records which disclose with reasonable accuracy, at any time, the financial position of the Association. The Board must ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Registered Housing Associations Determination of Accounting Requirements 2019. It is responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It has general responsibility for taking reasonable steps to safeguard the assets of the RSL and to prevent and detect fraud and other irregularities.

## **THE BOARD'S STATEMENT ON INTERNAL**

### **FINANCIAL CONTROL**

**31 MARCH 2020**

The Board acknowledge their ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate to the various business environments in which it operates. These controls are designed to give reasonable assurance with respect to: -

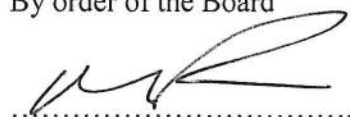

- The reliability of financial information used within the Association or for publication;
- The maintenance of proper accounting records; and
- The safeguarding of assets (against unauthorised use or disposition).

It is the Board's responsibility to establish and maintain systems of internal financial control. Such systems can only provide reasonable and not absolute assurance against material misstatement or loss. Key elements include ensuring that:

- Formal policies and procedures are in place, including the documentation of key systems and rules relating to the delegation of authorities, which allow the monitoring of controls and restrict the unauthorised use of the Association's assets.
- Experienced and suitably qualified staff take responsibility for important business functions.
- Forecasts and budgets are prepared regularly which allow the Board and staff to monitor the key business risks and financial objectives and progress towards the financial plans set for the year and the medium term; regular management accounts are prepared promptly, providing relevant, reliable and up-to-date financial and other information and significant variance from budgets are investigated as appropriate.
- All significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures.
- The Board review reports from management and from both internal and external auditors to provide reasonable assurance that control procedures are in place and are being followed.
- Formal procedures have been established for instituting appropriate action to correct weaknesses identified from the above reports.

The Board have reviewed the system of internal financial control in the Association during the year ended 31 March 2020. No weaknesses were found in internal financial controls which could result in material losses, contingencies, or uncertainties which require disclosure in the financial statements or in the auditors' report on the financial statements.

By order of the Board

**REPORT BY THE AUDITORS TO THE MEMBERS OF**  
**PARKHEAD HOUSING ASSOCIATION LIMITED**  
**ON CORPORATE GOVERNANCE MATTERS**

In addition to our audit of the Financial Statements, we have reviewed your statement on Page 11 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes which are issued by the Scottish Housing Regulator.

**Basis of Opinion**

We carried out our review having regard to the requirements to corporate governance matters within Bulletin 2006/5 issued by the Financial Reporting Council through enquiry of certain members of the Board and Officers of the Association and examination of relevant documents. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reason given for non-compliance.

**Opinion**

In our opinion the Statement on Internal Financial Control on page 11 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Date 6 October 2020

**PARKHEAD HOUSING ASSOCIATION LIMITED**  
**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF**  
**PARKHEAD HOUSING ASSOCIATION LIMITED**

**Opinion**

We have audited the financial statements of Parkhead Housing Association Limited (the 'Association') for the year ended 31 March 2020 which comprise the statement of comprehensive income, the statement of financial position, the statement of cash flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2020 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, Part 6 of the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements – February 2019.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Board's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Board has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Association's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Board is responsible for the other information. Our opinion on the financial statements does not cover the other information and, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

**PARKHEAD HOUSING ASSOCIATION LIMITED**  
**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF**  
**PARKHEAD HOUSING ASSOCIATION LIMITED**

If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Opinion on other matters under the Co-operative and Community Benefit Societies Act 2014**

In our opinion, the following continued to apply throughout the year of account:

- the reason given by the Board in respect of a previous year of account for subsidiaries to not be dealt with in the financial statements (having been approved by the FCA under section 99, subsection (3)); and
- the grounds given by the Board for that reason.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained; or
- the Association has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of the Board**

As explained more fully in the Statement of the Board Responsibilities set out on page 11, the Board is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intends to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the Association's members as a body, in accordance with Part 7 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **PRINCIPAL ACCOUNTING POLICIES**

**AS AT 31 MARCH 2020**

### **1.0 Legal Status**

The Association is registered under the Co-operative and Community Benefit Societies Act 2014 and is registered with the Scottish Housing Regulator under the Housing (Scotland) Act 2010.

The address of the Company's registered office and principal place of business is 40 Helenvale Street, Glasgow, G31 4TF.

The Association's principal activities are detailed in the Board Report. The nature of the Association's operations is detailed in the Board Report.

The Association is a Public Benefit Entity.

### **1.1 Basis of Accounting**

These financial statements have been prepared in accordance with UK Generally Accepted Accounting Practice (UK GAAP) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), the Housing SORP 2018 "Statement of Recommended Practice for Registered Housing Providers" and the comply with the Determination of Accounting Requirements February 2019, and under the historical cost convention.

The financial statements are prepared in Sterling (£).

### **1.2 Consolidation**

The Association and its subsidiary undertakings comprise of a group as provided by Section 99 (3a) of the Co-operative and Community Benefit Societies Act 2014. The accounts therefore represent the results of the Association and not the group.

### **1.3 Critical Accounting Estimates and Areas of Judgement**

Preparation of the financial statements requires management to make critical judgements and estimates concerning the future. Estimates and judgements are continually evaluated and are based on historical experience, advice from qualified experts and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are included below.

#### ***Critical accounting estimates:***

##### ***Rent Arrears - Bad Debt Provision***

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers: tenant payment history, arrangements in place, and court action.

##### ***Life Cycle of Components***

Useful lives of housing property - management reviews its estimate of the useful lives of depreciable assets at each reporting date based on predictions from contracts manager.

# **PARKHEAD HOUSING ASSOCIATION LIMITED**

## **PRINCIPAL ACCOUNTING POLICIES**

**AS AT 31 MARCH 2020**

**(Continued)**

### **1.3 Critical Accounting Estimates and Areas of Judgement (continued)**

#### *Pension Liabilities*

This has relied on the actuarial assumptions of qualified actuaries which have been reviewed and are considered reasonable and appropriate. Assumptions in respect of discount rates and inflation will vary from year to year, as will the value of assets and will be dependant on circumstances at the date of valuation. Since the year end there has been volatility in market assumptions given the COVID19 pandemic and, in particular, discount rates have fallen which would increase scheme liabilities. However, stock market performance has improved which would help to offset any increase in liabilities.

### **1.4 Going Concern**

The Board has a reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future. This is based on the Groups Business plan for 2021, which was approved by the Board in February 2020. This continues to show a strong financial performance with significant investment in new supply of housing stock, management and maintenance of housing stock and full repayment of all borrowings in the lifetime of the plan. Cash flows remain positive throughout the plan and all financial covenants, which are forecasts also, are met. These are closely monitored throughout.

Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements. Specific consideration of rent arrears as a key uncertainty has been considered in detail through sensitivity testing and monitored closely.

### **1.5 Turnover and revenue recognition**

Turnover relates to the income from the letting of properties at affordable rents and service charge income together with revenue grants receivable in the period. Rental income is recognised from the point when properties under development reach practical completion or otherwise become available for letting, net of any voids.

Income from first tranche sales and sales of properties built for sale is recognised at the point of legal completion of the transaction.

### **1.6 Government Grants**

Government grants include grants receivable from the Scottish Government, local authorities and other government bodies. Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received. Reasonable assurance is normally obtained when (e.g. the grant has been awarded in writing).

Government grants received for housing properties are recognised in other income over the useful economic life of the structure of the asset and, where applicable, the individual components of the structure (excluding land) under the accruals model.

# **PARKHEAD HOUSING ASSOCIATION LIMITED**

## **PRINCIPAL ACCOUNTING POLICIES**

**AS AT 31 MARCH 2020**

**(Continued)**

### **1.6 Government Grants (continued)**

On disposal of an asset for which government grant was received, if there is no obligation to repay the grant, then any unamortised grant remaining is derecognised as a liability and recognised as income. Where there is a requirement to repay a grant, a liability is included in the Statement of Financial Position to recognise this obligation.

### **1.7 Other Grants**

Grants received from non-government sources are recognised using the performance model. Grants are recognised as income when the associated performance conditions are met.

### **1.8 Other Income**

#### *Interest income*

Interest income is accrued on a time-apportioned basis, by reference to the principal outstanding at the effective interest rate.

### **1.9 Fixed assets - Housing properties**

Housing properties are properties for the provision of social housing or to otherwise provide social benefit and are principally properties available for rent.

Completed housing properties are stated at cost less accumulated depreciation and impairment losses.

Cost includes the cost of acquiring land and buildings, and expenditure incurred during the development period.

Works to existing properties which replace a component that has been treated separately for depreciation purposes, along with those works that enhance the economic benefits of the assets, are capitalised as improvements. Such enhancements can occur if improvements result in either:

- An increase in rental income;
- A material reduction in future maintenance costs; or
- A significant extension to the life of the property.

Works to existing properties which fail to meet the above criteria are charged to the Income and Expenditure account.

Shared ownership properties are included in housing properties at cost, less any provisions needed for depreciation or impairment.

# **PARKHEAD HOUSING ASSOCIATION LIMITED**

## **PRINCIPAL ACCOUNTING POLICIES**

**AS AT 31 MARCH 2020**

**(Continued)**

### **1.9 Fixed assets - Housing properties (continued)**

Depreciation is charged on a straight-line basis over the expected economic useful lives of each major component that makes up the housing property as follows:

Land	Not depreciated
Housing Properties under Construction	Not depreciated
Structure	Over 50 years
Roof	Over 40 years
Kitchen	Over 18 years
Bathroom	Over 50 years
Heating system - Boiler	Over 13 years
Heating system – ex boiler	Over 26 years
Windows and external doors	Over 30 years
Internal doors	Over 50 years
Lift	Over 50 years

Surpluses and deficits on the sale of housing properties are accounted for in the Income and Expenditure account in the year of disposal. The surplus or deficit is shown on the face of the Income and Expenditure Account.

First tranche Shared Ownership disposals are credited to turnover on completion, the cost of construction of these sales is included as work in progress until the point of sale when the costs are taken to operating costs. Disposals of subsequent tranches are treated as fixed asset disposals with the gain or loss on disposal taken to the Income and Expenditure account.

### **1.10 Impairment of Fixed Assets**

An assessment is made at each reporting date of whether there are indications that a fixed asset (including housing properties) may be impaired or that an impairment loss previously recognised has fully or partially reversed. If such indications exist, the RSL estimates the recoverable amount of the asset.

Shortfalls between the carrying value of fixed assets and their recoverable amounts, being the higher of fair value less costs to sell and value-in-use of the asset based on its service potential, are recognised as impairment losses in the income and expenditure account.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Reversals of impairment losses are recognised in income and expenditure. On reversal of an impairment loss, the depreciation or amortisation is adjusted to allocate the asset's revised carrying amount (less any residual value) over its remaining useful life.

# PARKHEAD HOUSING ASSOCIATION LIMITED

## PRINCIPAL ACCOUNTING POLICIES

AS AT 31 MARCH 2020

(Continued)

### 1.11 Other Fixed Assets

Other Fixed Assets are stated at cost less accumulated depreciation. Depreciation is charged on a straight-line basis over the expected economic useful lives of the assets at the following annual rates:

Office Premises (excluding land)	- 1.5% - 3.33%
Furniture and Fittings	- 33.33%
Computer Equipment	- 20%
Office Equipment	- 33.33%

Shortfalls between the carrying value of fixed assets and their recoverable amounts, being the higher of fair value less costs to sell and value-in-use of the asset based on its service potential, are recognised as impairment losses in the statement of comprehensive income.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Reversals of impairment losses are recognised in income and expenditure. On reversal of an impairment loss, the depreciation or amortisation is adjusted to allocate the asset's revised carrying amount (less any residual value) over its remaining useful life.

### 1.12 Borrowing Costs

General and specific borrowing costs directly attributable to the acquisition and construction of qualifying properties are added to the cost of those properties until such a time as the properties are ready for their intended use or sale.

All other borrowing costs are expensed as incurred.

### 1.13 Tax

The Association has charitable status and is registered with the Office of Scottish Charities Regulator and is therefore exempt from paying Corporation Tax on charitable activities.

### 1.14 Value Added Tax

The Association is VAT registered, however a large proportion of income, namely rents, is exempt for VAT purposes therefore giving rise to a Partial Exemption calculation. Expenditure is shown inclusive of VAT.

### 1.15 Deposits and Liquid Resources

Cash comprises cash in hand and deposits repayable on demand less overdrafts repayable on demand. Liquid resources are current asset investments that are disposable without curtailing or disrupting the business and are readily convertible into known amounts of cash at or close to their carrying value.

# **PARKHEAD HOUSING ASSOCIATION LIMITED**

## **PRINCIPAL ACCOUNTING POLICIES**

**AS AT 31 MARCH 2020**

**(Continued)**

### **1.16 Employee Benefits**

The costs of short-term employee benefits are recognised as a liability and an expense.

Employees are entitled to carry forward up to 5 days of any unused holiday entitlement at the reporting date. The cost of any unused entitlement is recognised in the period in which the employee's services are received.

The best estimate of the expenditure required to settle an obligation for termination benefits is recognised immediately as an expense when the RSL is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

### **1.17 Financial Instruments**

The Association has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102, in full, to all of its financial instruments.

Financial assets and financial liabilities are recognised when the Association becomes a party to the contractual provisions of the instrument and are offset only when the Association currently has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

#### ***Financial assets***

##### ***Debtors***

Debtors which are receivable within one year and which do not constitute a financing transaction are initially measured at the transaction price. Trade debtors are subsequently measured at amortised cost, being the transaction price less any amounts settled and any impairment losses.

Where the arrangement with a trade or other debtor constitutes a financing transaction, the debtor is initially and subsequently measured at the present value of future payments discounted at a market rate of interest for a similar debt instrument.

A provision for impairment of debtors is established when there is objective evidence that the amounts due will not be collected according to the original terms of the contract. Impairment losses are recognised in income and expenditure for the excess of the carrying value of the trade debtor over the present value of the future cash flows discounted using the original effective interest rate. Subsequent reversals of an impairment loss that objectively relate to an event occurring after the impairment loss was recognised, are recognised immediately in income and expenditure.

#### ***Financial liabilities***

##### ***Trade creditors***

Trade creditors payable within one year that do not constitute a financing transaction are initially measured at the transaction price and subsequently measured at amortised cost, being the transaction price less any amounts settled.

# **PARKHEAD HOUSING ASSOCIATION LIMITED**

## **PRINCIPAL ACCOUNTING POLICIES**

**AS AT 31 MARCH 2020**

**(Continued)**

### **1.17 Financial Instruments (continued)**

#### *Borrowings*

Borrowings are initially recognised at the transaction price, including transaction costs, and subsequently measured at amortised cost using the effective interest method. Interest expense is recognised on the basis of the effective interest method and is included in interest payable and other similar charges.

Commitments to receive a loan are measured at cost less impairment.

### **1.18 Contingent Liabilities**

A contingent liability is either a possible, but uncertain, obligation or a present obligation that is not recognised because it fails to meet the recognition criteria of a provision. As required by FRS 102, disclosures of a contingent liability will be made unless the possibility of an outflow of resources is remote. The Association does not recognise a contingent liability but discloses its existence in the financial statements.

### **1.19 Pension Costs**

The Association participates in the Strathclyde Pension Fund and retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating organisations taken as a whole.

The expected cost to the Association of pensions is charged to income so as to spread the cost of pensions over the service lives of the employees in the scheme taken as a whole.

The Association has fully adopted section 28 of FRS102 'Employee Benefits.'

The difference between the fair value of the assets held in the Association's defined benefit pension scheme and the scheme's liabilities measured on an actuarial basis using the projected unit method as recognised in the Association's balance sheet as a pension scheme liability as appropriate.

### **1.20 Provisions**

Provisions are recognized when the Association has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and that obligation can be estimated reliably.
